**WC Docket No. 21-93**  
**WC Docket No. 10-90**  
**WC Docket No. 02-60**  
**WC Docket No. 18-213**

Pursuant to our procedure for resolving requests for review, requests for waiver, and petitions for reconsideration of decisions related to actions taken by the Universal Service Administrative Company (USAC) that are consistent with precedent (collectively, Requests), the Wireline Competition Bureau (Bureau) grants, dismisses, or denies the following Requests.<sup>1</sup> The deadline for filing petitions for reconsideration or applications for review concerning the disposition of any of these Requests is 30 days from the release date of this Public Notice.<sup>2</sup>

### **Granted**<sup>3</sup>

<sup>1</sup> See *Streamlined Process for Resolving Requests for Review of Decisions by the Universal Service Administrative Company*, CC Docket Nos. 96-45 and 02-6, WC Docket Nos. 02-60, 06-122, 08-71, 10-90, 11-42, and 14-58, Public Notice, 29 FCC Rcd 11094 (WCB 2014). Sections 54.719(b) and 54.1718(a)(1) of the Commission's rules provide that any person aggrieved by an action taken by a division of USAC, after first seeking review at USAC, may seek review from the Commission. Section 54.719(c) and section 54.1718(a)(3) of the Commission's rules provide that parties seeking waivers of the Commission's rules shall seek review directly from the Commission. 47 CFR §§ 54.719(b)-(c) and 54.1718(a)(1),(3). In this Public Notice, we have reclassified as Requests for Waiver any appeals seeking review of a USAC decision that appropriately should have requested a waiver of the Commission's rules. Similarly, we have reclassified as Requests for Review any appeals seeking a waiver of the Commission's rules but that are, in fact, seeking review of a USAC decision.

<sup>2</sup> See 47 CFR §§ 1.106(f), 1.115(d); see also 47 CFR § 1.4(b)(2) (setting forth the method for computing the amount of time within which persons or entities must act in response to deadlines established by the Commission).

<sup>3</sup> We remand these applications to USAC and direct USAC to complete its review of the applications and issue a funding decision based on a complete review and analysis, no later than 90 calendar days from the release date of this Public Notice. In remanding these applications to USAC, we make no finding as to the ultimate eligibility of the services or the petitioners' applications. We also waive sections 54.507(d) and 54.514(a) of the Commission's rules and direct USAC to waive any procedural deadline that might be necessary to effectuate our ruling. *See* 47 CFR § 54.507(d) (requiring non-recurring services to be implemented by September 30 following the close of the funding year); 47 CFR § 54.514(a) (codifying the invoice filing deadline).

<sup>4</sup> *See, e.g., Requests for Review of Decisions of the Universal Service Administrator by Allendale County School District et al.; Schools and Libraries Universal Service Support Mechanism*, CC Docket No. 02-6, Order, 26 FCC Rcd 6109, 6115-17, paras. 10-12 (WCB 2011) (waiving certain competitive bidding requirements, including price as the primary factor, when the applicant selected the lowest priced option and there was no evidence of waste, fraud or abuse).

<sup>5</sup> We find, based on the record before us, that Putnam City Independent School District 1 timely filed its FCC Forms 472 (Billed Entity Applicant Reimbursement (BEAR) Forms) on October 15, 2020, before the October 28, 2020 invoice filing deadline, and timely filed an appeal on November 29, 2021 when the invoices were rejected. Because USAC summarily denied the appeal as a request for a waiver of the invoice filing deadline, we now instruct USAC on remand to reexamine the applicant's November 29, 2021 appeal and consider the arguments raised on the merits. In remanding this appeal to USAC, we make no finding as to the merits of the applicant's appeal. *See also supra* note 3.

<sup>6</sup> *See Requests for Waiver and Review of Decisions of the Universal Service Administrator by Agri-Business Child Development et al.; Schools and Libraries Universal Service Support Mechanism*, CC Docket No. 02-6, Order, 35 FCC Rcd 8278, 8280, para. 7 (WCB 2020) (*Agri-Business Child Development Order*) (finding good cause to waive the FCC Form 471 application filing deadline for applicants impacted by the coronavirus (COVID-19) pandemic that requested a waiver of the filing deadline and submitted their applications within 60 days of the close of the filing window). Because the *Agri-Business Child Development Order* was released August 6, 2020 after the funding year 2020 window had closed, the Bureau also found good cause existed to waive the funding year 2020 FCC Form 471 application filing deadline for those applicants filing their applications on or before that date, waiving the filing deadline for applications that were submitted up to 99 days late. We extend this waiver standard to funding year 2022 applicants but emphasize that this additional relief applies only to this subset of applications and applicants should not expect the Commission to grant additional waivers absent a showing of extraordinary circumstances.

(Continued from previous page) \_\_\_\_\_

<sup>11</sup> See, e.g., *Requests for Waiver of the Decisions of the Universal Service Administrator by Grants/Cibola County School District and Jemez Pueblo Tribal Consortium*, CC Docket No. 02-6, Order, 33 FCC Rcd 10048, 10051, para. 8 (WCB 2018) (waiving the special construction service delivery deadline because the applicant was unable to complete implementation for reasons beyond the service provider's control and the petitioner made good faith efforts to comply with Commission rules and procedures).

We find that Twin Rivers Unified School District was unable to complete implementation for reasons beyond its and its service provider's control, made good faith efforts to comply with Commission rules and procedures, and has completed the construction. Accordingly, we waive the special construction service delivery deadline and direct USAC to process the requests for reimbursement for work completed after the June 30, 2021 deadline.

We also find that Gila County Information Technology Consortium (Gila County) and Yaak Elementary School were unable to complete implementation for reasons beyond their and their service providers' control and made good faith efforts to comply with Commission rules and procedures. Accordingly, we waive the special construction service delivery deadline and direct USAC to provide the applicants until June 30, 2023 to complete their special construction projects.

We similarly find that Utah Education and Telehealth Network (UETN) was unable to complete implementation for reasons beyond its and its service provider's control and made good faith efforts to comply with Commission rules and procedures. We waive the special construction service delivery deadline and direct USAC provide UETN an additional year, until May 31, 2023, to complete the special construction project. Because UETN has already received additional time to complete its project, we find that 12 months should be sufficient to complete this project and deny the request for a 24-month extension. If additional time is needed for the remaining portion(s) of this build, UETN should submit funding application(s) for the portions of the build that cannot be completed by the May 31, 2023 deadline in the upcoming funding year (i.e., funding year 2023). We note that the service delivery date for this funding request has been extended three times and we do not anticipate granting another waiver of the service delivery deadline for this funding request.

For these petitioners, we also waive any associated administrative or procedural deadlines, including the invoice filing deadline, that might be necessary to effectuate our ruling. See *supra* note 3.

<sup>12</sup> Alee Academy and Nativity School requests a waiver of the funding year 2021 application filing deadline and that its FY 2022 application be applied for the July 1, 2021 through June 30, 2022 funding period. See, e.g., *Academy of Math and Science Order*, 25 FCC Rcd at 9259, para. 8 (denying waivers of the FCC Form 471 filing deadline where petitioners failed to present special circumstances justifying a waiver of the rule).

<sup>16</sup> *Request for Review and Petition for Waiver by Georgia Department of Public Health, Request for Review and/or Waiver by ENA Healthcare Services LLC, Rural Health Care Universal Service Support Mechanism*, WC Docket No. 02-60, Order, DA 22-305 (WCB Mar. 22, 2022) (*SEHD Waiver Order*). On March 22, 2022, the Commission waived sections 54.603(b)(4) and 54.645(b) of its rules in connection with 57 requests for Telecommunications Program support submitted by the Georgia Department of Public Health's Southeast Health District (SEHD) for funding year 2018, and remanded these funding requests (as listed in Appendix C to the *SEHD Waiver Order*) to USAC for further action in accordance with the terms of the *SEHD Waiver Order*. By letter dated April 29, 2022, USAC advised the Commission that three additional SEHD funding requests (FRNs 1830509, 1832156, and 1834516) for funding year 2018 should have been included in Appendix C. Letter from Jeff Walsh, Director of Program Management, Rural Health Care, USAC, to Marlene H. Dortch, Secretary, FCC (Apr. 29, 2022) (on file in WC Docket No. 02-60). Accordingly, we waive sections 54.603(b)(4) and 54.645(b) in connection with FRNs 1830509, 1832156, and 1834516 and remand these FRNs to USAC for further action consistent with the *SEHD Waiver Order*.

<sup>17</sup> See *Rural Health Care Support Mechanism*, WC Docket No. 02-60, Order, 35 FCC Rcd 1986, 1994 (WCB 2020) (*Funding Year 2018 Invoice Waiver Order*); *Rural Health Care Support Mechanism*, WC Docket No. 02-60, Order, 32 FCC Rcd 5065, 5065-66, paras. 2, 4 (WCB 2017) (*Funding Year 2016 Invoice Waiver Order*) (granting a waiver *sua sponte* of the invoice filing deadline when the deadline had already passed at the time that health care providers received USAC's decision, which made compliance with program rules impossible). We waive the petitioners' invoice filing deadlines and allow 180 days from the later of the release date of this Public Notice or the issuance date of a funding commitment letter (FCL) to file the invoices with USAC.

<sup>18</sup> New England Telehealth Consortium (NETC) was allocated up to \$2,560,098 in Connected Care funding in March 2022. Following an inquiry by NETC regarding the funding allocation, it was determined that NETC should have been allocated up to \$3,037,458.
